Solve-TAD Limited is pleased to announce the appointment of Scott Miller as Chief Executive Officer (CEO).

Scott brings over 15 years of leadership experience in disability, healthcare and community services spanning public, private and the not-for profit sectors in both Australia and New Zealand. Scott has a wealth of knowledge and expertise in creating inclusive communities and supporting and developing sustainable programs. Scott joins us from his previous role as CEO of Volunteering Victoria and brings a wealth of experience in the potential for volunteers to have a significant impact on Australian society.

Scott is particularly looking forward to the opportunity to help people change their lives through the provision of clever assistive technology.

The Solve-TAD Board are excited by Scott's passion for our mantra of Clever Ideas Changing Lives and continuing to ensure that we bounce back from the COVID lockdowns as well as fully bedding down our recent merger so as we can thrive in the NDIS environment.

Scott will commence his new role at Solve-TAD on August 8th. Mark Howlett will remain as Interim CEO until this date.
